Sub: Letter of Intent for Improvement of Service Connections at Ahmednagar Circle of MSEB

With reference to your offer dated 05.08.2005 & the subsequent discussions we are pleased to place this Letter of Intent on you for Improvement of Service Connections at Ahmednagar Circle of MSEB on the following terms & conditions

- i) The total number of Service Connections offered for Improvement are 40,000 only.
- ii) All materials to be used shall be as per MSEB specifications. You will also get the materials inspected by MSEB as required and obtain necessary approvals.
- iii) Time is the essence of this project and work should be completed in all respects by 15.09.2005 failing which we shall be imposing a penalty of 1% (one percent) per week of delayed completion subject to a maximum of 10% of the total value
- iv) All liaison work with MSEB regarding availability of consumer list etc., and so also certification issues are to be handled by you
- v) We are enclosing herewith Scheduled Rates. You will be paid at 3% (Three Percent) below the Scheduled Rates.
- vi) Average cost per connection based on Scheduled Rates (enclosed) is limited to Rs.140/- only. In line with our discussions you will strictly adhere to this limit.
- vii) In the event you fail to adhere to the limit mentioned in (vi) and deliver lesser no. of connections for the total amount restricted to you, we will impose a penalty of Rs.65/- per connection for the shortfall. This particular point has been clarified to you in detail.
- viii) You shall keep Alstom indemnified against all liabilities arising due to any omission on your part and cause harm/damage to Alstom's representatives.
